John J. Degnan
Chairman

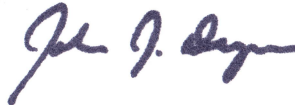

October 30, 2014

Dear Mr. Hughes:

I have your October 24 letter. You have made your position very clear and you are clearly entitled to your own opinion. However, while you defend your own right to express them in strong terms, you find offense in strong responses. So be it. That is your right as well.

Thank you for writing.

Very truly yours,

A handwritten signature in dark ink, appearing to read "John J. Degnan". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
